- **All Legislation**

State Pharmaceutical Legislation

Click on highlighted states to see all legislative action to regulate pharmaceutical price and competition in the 2019 session. Click to see 2018 trends for a side-by-side comparison.

- **Price Transparency**

2019 Drug Pricing Transparency Legislation

Pharmaceutical price transparency legislation requires disclosures from drug manufacturers and insurers to help lawmakers and the public better understand how drugs are priced and how those prices affect insurance premiums. Click to see 2018 trends for a side-by-side comparison.

PBM Regulation

-

2019 Pharmacy Benefit Manager Regulation Legislation

Legislation to regulate Pharmacy Benefit Managers (PBMs) typically include provisions that 1) require PBMs to register with the state, 2) mandate disclosures by PBMs, or 3) prevent PBMs from incentivizing the use of mail-order pharmacies. Click to see 2018 trends for a side-by-side comparison.
