

# Health Affairs Study Lists the 50 U.S. Hospitals with Biggest Mark-Ups

Health Affairs just published a [study](#) that used Medicare data from 2012 to identify the 50 U.S. hospitals with the highest charge-to-cost ratios. The Washington Post published an excellent [breakdown](#) of the academic piece, complete with graphics. The study showed that all but one of the 50 were for-profit hospitals, and 20 were in Florida.
