

[In the Press] Interview Quoted in California Healthline Article “Loopholes Limit New California Law To Guard Against Lofty Air Ambulance Bills”

Health Policy Researcher Sammy Chang was quoted in the 1/13/2020 California Healthline article [“Loopholes Limit New California Law To Guard Against Lofty Air Ambulance Bills”](#):

“It’s a very big step in balance billing, but it’s not a definitive one,” said Samuel Chang, a health policy researcher at the Source on Healthcare Price and Competition, a project of the University of California-Hastings.
