Requires health insurance coverage for various sexual and reproductive health care services.

SB 892 (see companion bill HB 1180)

Requires health insurance coverage for various sexual and reproductive health care services.

HB 1221 (see companion bill SB 165)

Mandates reimbursement for services provided by participating registered pharmacists practicing within their scope of practice by private and public health plans in the State beginning 1/1/2024. Effective 6/30/3000.

SB 165 (see companion bill HB 1221)

Mandates reimbursement for services provided by participating registered pharmacists practicing within their scope of practice by private and public health plans in the State beginning January 1, 2024.

HB 1255 (see companion bill SB 1476)

Authorizes the issuance of special purpose revenue bonds to assist West Maui Hospital Foundation, Inc. in the construction of West Maui Hospital and Medical Center in the county of Maui, including any necessary infrastructure

SB 1476 (see companion bill HB 1255)

Authorizes the issuance of special purpose revenue bonds to assist West Maui Hospital Foundation, Inc. in the construction of West Maui Hospital and Medical Center in the County of Maui, including any necessary infrastructure. Requires the County of Maui to serve as guarantor of any debt service on the special purpose revenue bonds. Effective 12/31/2050.

HB 1368 (see companion bill SB 404)

Makes various updates to the hospital sustainability program, including amending the definition of “private hospital”; clarifying the uses of the hospital sustainability program special fund; increasing various hospital sustainability fee caps; requiring DHS to consult and negotiate with the hospital trade association regarding fee participation and rates; clarifying when the hospital sustainability fee shall be discontinued and the distribution of remaining funds; repealing the sunset dates of Act 217, SLH 2012, and Act 123, SLH 2014, to make the program permanent and permanently exempting the program from the central service and administrative expenses assessments; and appropriating funds out of the special fund.

SB 404 (see companion bill HB 1368)

Makes various updates to the Hospital Sustainability Program, including amending the definition of “private hospital”; clarifying the uses of the Hospital Sustainability Program Special Fund; increasing various hospital sustainability fee caps; requiring the Department of Human Services to consult and negotiate with the hospital trade association regarding fee participation and rates; clarifying when the hospital sustainability fee shall be discontinued and the distribution of remaining funds; repealing the sunset dates of Act 217, SLH 2012, and Act 123, SLH 2014, to make the program permanent and permanently exempting the program from the central service and administrative expenses assessments; and appropriating funds out of the Hospital Sustainability Program Special Fund.

HB 907

Temporarily allows for the reimbursement of services provided through telehealth via an interactive telecommunications system and two-way, real-time audio-only communications in certain circumstances. Defines “interactive telecommunications system”.
