

Idaho Code Ann. §§ 30-22-201 through 206: Idaho Model Entity Transactions Act

Except as otherwise provided in this section, by complying with this part:

- (1) One (1) or more domestic entities may merge with one (1) or more domestic or foreign entities into a domestic or foreign surviving entity; and
 - (2) Two (2) or more foreign entities may merge into a domestic entity.
-

Idaho Code Ann. §§ 30-29-1104 & 1105: Idaho Business Corporation Act

If the plan of merger or share exchange is required to be approved by the shareholders, and if the approval is to be given at a meeting, the corporation must notify each shareholder, whether or not entitled to vote, of the meeting of shareholders at which the plan is to be submitted for approval.

Idaho Code Ann. §§ 30-30-801 through 803: Idaho Nonprofit Corporation Act

One (1) or more nonprofit corporations may merge into a business or nonprofit corporation, if the plan of merger is approved as provided in section 30-30-803, Idaho Code.

Idaho Code Ann. §§ 41-5601 through 5606:

Insurance – Prompt Payment of Claims

Except as otherwise specifically provided in this chapter, an insurer shall process a claim for payment for health care services rendered by a practitioner or facility to a beneficiary in accordance with this section. An insurer that fails to pay, request additional information or documentation or deny a claim from a beneficiary, practitioner or facility within the time periods established in this chapter shall pay interest at the contract statutory rate pursuant to section 28-22-104, Idaho Code, on the unpaid amount of a claim that is determined to be due and owing.

Idaho Code Ann. §§ 41-5901 through 5917: Idaho Health Carrier External Review Act

The purpose of this chapter is to provide uniform standards for the establishment and maintenance of external review procedures to assure that covered persons have the opportunity for an independent review of a final adverse benefit determination, as defined in this chapter.

Idaho Code Ann. §§ 41-1301 through 1307, 1309, 1314, 1317 through 1324, 1327, 1328, 1330, 1331, 1333: Insurance – Trade Practices and Frauds

The purpose of sections 41-1301 through 41-1321, Idaho Code, is to regulate trade practices in the business of insurance in accordance with the intent of congress as expressed in the act of congress of March 9, 1945 (Public Law 15, 79th Congress [ch. 20, 59 U.S. Stat. at Large 33]), by defining, or providing for the determination of, all such practices in this state which constitute unfair methods of competition or unfair or deceptive acts or practices and by

prohibiting the trade practices so defined or determined.

Idaho Code Ann. § 41-3928. Incentives to withhold care prohibited: Managed Care Reform Act

No managed care organization shall offer a provider and no contract between a managed care organization and a provider shall contain any incentive plan that includes a specific payment made, in any type or form, to the provider as an inducement to deny, reduce, limit, or delay specific, medically necessary, and appropriate services covered by the health care contract and provided with respect to a specific member or group of members with similar medical conditions.

Idaho Code Ann. §§ 54-5701 through 5713: Idaho Telehealth Access Act

The legislature finds telehealth services enhance access to health care, make delivery of health care more cost-effective and distribute limited health care provider resources more efficiently. "Telehealth services" means health care services provided by a provider to a person through the use of electronic communications, information technology, asynchronous store and forward transfer or synchronous interaction between a provider at a distant site and a patient at an originating site. Such services include, but are not limited to, clinical care, health education, home health and facilitation of self-managed care and caregiver support.

Idaho Code Ann. § 41-3905. Qualifications for certificate of authority: Managed Care Reform Act

The director can issue or permit to remain in force a certificate of authority authorizing the transaction of managed care plans for an organization that proposes to provide health care services on a predetermined and prepaid basis and indemnity benefits covering all or a portion of the cost of out-of-area services, out-of-network services and emergency services.

Idaho Code Ann. §§ 56-250 through 257: Idaho Medicaid Simplification Act

The legislature finds that the current federal medicaid law and regulations have not kept pace with modern health care management practices, create obstacles to quality care and impose unnecessary costs on the delivery of effective and efficient health care. The legislature believes that the state of Idaho must strive to balance efforts to contain medicaid costs, improve program quality and improve access to services. The legislature further believes that the state of Idaho could achieve improved health outcomes for medicaid participants by simplifying eligibility and developing health benefits for medicaid participants according to their health needs, including appropriate preventive and wellness services.
