

Big systems get bigger: 5 large hospital deals to know

Federal Legislation And State Policy Efforts Promote Access To And Use of Discounted Cash Prices

After Appalachian Hospitals Merged Into a Monopoly, Their ERs Slowed to a Crawl

HB 2600 (see companion bill SB 2620)

As introduced, prohibits a hospital from negotiating or entering into anti-competitive agreements or engaging in activity that purports to look like anti-competitive conduct

with other hospitals in this state; prohibits state funds or employees from engaging in an activity that purports to look like the active supervision of anti-competitive conduct in the healthcare sector.

SB 2620 (see companion bill HB 2600)

As introduced, prohibits a hospital from negotiating or entering into anti-competitive agreements or engaging in activity that purports to look like anti-competitive conduct with other hospitals in this state; prohibits state funds or employees from engaging in an activity that purports to look like the active supervision of anti-competitive conduct in the healthcare sector.
