

HB 2128

Modernizing the certificate of need program.

HB 2285

Protecting consumers from out-of-network health care services charges.

SB 5986

Protecting consumers from out-of-network health care services charges.

SB 5948

Introduced to prohibit the use of certain contractual provisions often used by providers, hospitals, health systems, and carriers with significant market power; would render any provision in a provider contract that is an all-or-nothing clause, an antisteering clause, or an antitiering clause void and unenforceable.

HB 2066

Introduced to prohibit the use of certain contractual provisions often used by providers, hospitals, health systems, and carriers with significant market power; would render any provision in a provider contract that is an all-or-nothing clause, an antisteering clause, or an antitiering clause void and unenforceable.
