- **All Legislation**

State Pharmaceutical Legislation

Click on highlighted states to see all legislative action to regulate pharmaceutical price and competition in the 2019 session. Click to see [2018 trends](#) for a side-by-side comparison.

- **Price Transparency**

2019 Drug Pricing Transparency Legislation

Pharmaceutical price transparency legislation requires disclosures from drug manufacturers and insurers to help lawmakers and the public better understand how drugs are priced and how those prices affect insurance premiums. Click to see [2018 trends](#) for a side-by-side comparison.
