In support of the [State Laws Impacting Healthcare Cost and Quality ("SLIHCQ") Database](#), The Source has released a comprehensive [SLIHCQ Database User Guide](#) (download [here](#)), which provides detailed instructions and useful tips to help users navigate the tool.

The Source, in partnership with [Catalyst for Payment Reform ("CPR")](#), launched the database on May 17, 2019. This interactive tool catalogs ongoing state legislative efforts to implement healthcare reform. See press release [here](#).

Happy researching!
